Wilson Cup 2024

Well done to the 2024 LGC Wilson Cup team of David Nicolson, Kevin Cameron, Alistair Young, and Sandy Sutherland who represented the club @ this year's competition in Dale, Shetland, and made it to the Final, where they faced Orkney Golf Club and came a very respectable 2nd. We received a very well done on the performance to pass on to the team from Royal Dornoch.

Many thanks to Burn of Whilk wind farm fund for assisting with costs of the trip.

Really good for raising the profile of LGC across the northern counties.

So ... very well done team from all at LGC (and RDGC) 😊.

Course news

Due to the efforts of the Greens Team, you will all be noticing the excellent condition that the course is in.

On highlighting the course for touring golfers, Google and Tripadvisor review sites have both been claimed by LGC in order to give them the opportunity to leave reviews on either site to promote the club and provide feedback.

Golf Highland have been kind enough to facilitate an update on their website for LGC (we were previously mentioned, however there was no detailed content). The LGC page can be found at:
