

Lybster Golf Club News (November '24)

Club News

The nights are drawing in as we approach the end of 2024, and this will most likely be the last newsletter of the season, however looking forward the LGC committee are planning for a couple of activities early 2025, namely:

- 1) A further batch of complimentary pro coaching sessions for members during April and May '25.
- 2) Start Junior Golf sessions, with the intent of encouraging new players to the game.

The AGM date has been set for **Thu 20th Feb '25**, and all members are invited to attend and give their inputs, and perhaps join the committee in the run up to the 1926 centenary of the club – a draft annual report will be circulated prior to the AGM for member review.

LGC Poker Chip Markers

The new must have golf accessory ... after several member and visitor requests, LGC ball markers have been sourced and are now available at a cost of £5. Please contact a committee member for details or email the Secretary if you would like to purchase one.
