

# Lybster Golf Club News (April '26)

## Club News

The 2026 centenary summer season has arrived, and despite the poor start to April weather wise everything is shaping up nicely for an action packed 6 months with course preparation going well thanks to the efforts of the Greens Committee.

Members may have noticed work starting on the new practice area in front of the clubhouse, supported by NRS, and this is expected to become available for all to utilise by mid May.

LGC Centenary branded merchandise is currently in preparation with ball markers and a range of Ping clothing becoming available for members and visitors to purchase in the coming weeks – follow the LGC social media channels for further information.

We are a **Highland Broadband Affiliate Partner** – if you plan a full fibre installation and use [this link](#) you can earn a reward of up to £125 and LGC will receive a donation.

## Competitions

The LGC Centenary summer season kicked off on the 4<sup>th</sup> April with the Captain v. Vice Captain Challenge, won on this occasion by the VC team – well done to all who took part in this fun event.

Unfortunately the Captains Invitational Challenge on the 11<sup>th</sup> April was postponed due to weather, and will be rescheduled for later in the season.

The Lyber Cup competition between Lybster GC and Wick GC took place on the weekend of 18<sup>th</sup> / 19<sup>th</sup> April, and was a resounding victory for LGC (despite LGC Past Captain Alex Calder coming out of “golfing retirement” to assist WGC when a player pulled out at short notice).

Club competitions have now started and all members are invited to take part – please see the LGC website for updated fixture list.

## Lybster Golf Club – Centenary Fixture List (Open competitions)
