The John Gunn & Sons Centenary Mixed Open on the 13<sup>th</sup> / 14<sup>th</sup> June, playing for the Norse Stone Centenary Trophy, was really well attended with some of the entrants visiting from the USA. Congratulations to Gordon Morrison who won the trophy and Alan Larnach for the lowest gross score.

The Centenary Hickory Golf Scramble rescheduled to Sun 28<sup>th</sup> June following poor weather at the beginning of the month turned in to a fantastic celebration of the club’s rich history, with many entrants dressing in 1920’s clothing and everyone having a smile on their faces. Congratulations to the winning team, consisting of William Banks, James Baillie and Mark Sutherland.
