Club News

Lybster Golf Club has been invited to join the [9 Fairways](#) collection of 9 hole golf clubs across Europe as one of the founding clubs – this is fantastic for raising awareness of our hidden gem and promotes the growing golf trend of “Nine is Fine”.

Lybster Golf Club x PING branded merchandise is now available for members to purchase, with items such as the Lindum polo, Sedona polo, Ramsey mid-layer, Burford vest and more available. This adds to our popular collection of branded Harris Tweed driver covers available through LIH Golf. Please use the [contact form](#) on club website for all merchandise enquiries.

Pro coaching sessions for junior members / beginners are currently planned for the 13th and 27th September – watch out for further information nearer the date.

Follow the LGC social media channels on Instagram and Facebook.

Competitions / Events

Club competitions are underway and all members are invited to take part – please see the LGC website for updated [Fixture List](#).

Fun fact – the 2026 McLennan Cup competition was won by Alistair Young, 100 years after the first competition was won by his great uncle Jim Young. Alistair is pictured being presented with the trophy by past captain David Nicolson.

August was really busy with the Mackays Hotel Open, the Lindsay Kirk Ladies Open, the Seniors & Friends Senior Open and the Highland Broadband East Coast Scramble Open, all of which were really well attended with all competitors having fun – please see the club social media channels for detail of winners for these and other club competitions.

The Lybster Mixed Open, last of the season, is scheduled for Sun 20th September 2026.
