4th June 2023

Captains Message - It is an honour to have been appointed Captain of Lybster Golf Club and I look forward to facing the challenges and responsibilities that come with the role. However, I would firstly like to thank David Nicolson and Alec Calder for the work they have done recently (and in the past) as Captains, and I hope I can live up to the high standards they set.

We have a strong and willing Committee and a solid base of members which is the foundation of a vibrant and welcoming club. As everyone knows, we are a small club and rely greatly on the goodwill and considerable expertise of our members to keep the course, clubhouse and all our affairs in good order. I hope everyone feels that they have the opportunity to be involved in the growth and develop a Club which we are rightly proud of.

With the golf season now in full swing, despite the colder than usual temperatures, it is great to see so many people out on the course. The course is in fantastic condition. In June we will host the Caithness and Sutherland Seniors and we will have our Ladies Open and a nine hole Open. These, along with our usual club competitions and visitors and members playing more casual rounds will see the course well used this month. The club welcomes you all.

Yours Sincerely
Kenny Boyd

Course work – The course is now in fantastic condition thanks to the work of our tireless volunteers. A lot of preparation went into the course before the Caithness and Sutherland Seniors event and the Ladies Open. Many positive comments were received about the course and participants would like to thank David, Alistair, Ian, John and Macca for their hard work and any body else that helped get the course playing so well.

Ladies Open

17 Ladies participated in the Lybster Open event on the 3rd June on a beautiful warm and sunny day. Congratulations to overall winner Laura Durrand from Thurso, who went round in an exceptional Gross 68. Thank you to Sally and Lynsey for organising a great event and to Alastair for spending all morning working on the course.

Playing Conditions

Players – Please read the current playing conditions on the notice board before going out to play your competitions. We are now on General Play which means there are no 'preferred lies' so you cannot Mark, Lift and Clean your ball before playing it! The bunkers are also now in play.

CSSGS

48 players took part in the Caithness and Sutherland Seniors event which is an important fundraising event for the club. Excellent refreshments were provided on the day by a committed group of volunteers which added greatly to the income for the club. Congratulations to Ian Young and David Wilson who won their respective Divisions on the day. David also won his division at Bonar Bridge as did Malcolm Thomson. At the Reay event Malcolm Sutherland came 2nd and Roy Page 3rd in respective divisions.
